Work Experience

COMIN ASIA — Phnom Penh Cambodia
DATA ANALYST IN FINANCE DIVISION — February 2025–Present

Drive digital transformation across business divisions, making financial processes more dynamic and data-driven through analytics solutions, automated reporting and BI tools.

Accomplishment

- **Led digital transformation of 36 manual/paper-based business forms across 8 departments** (Finance, Procurement, Inventory, IT, QS, HSEQ, Design & Engineering, Logistics) for an EPC company, using Microsoft Power Platform (Power Apps, Power Automate, SharePoint, Power BI) to replace SAP add-on modules (Cambodia and Laos).
- **Designed and deployed phase 1: Expense Claim Automation solution integrated with SAP Business One via the Service Layer API,** to streamline finance approval workflows and automated post in SAP for Journal Entry.
- **Performed cost-benefit analysis of SAP licensing vs. in-house Power Platform development,** quantifying multi-year cost avoidance and presenting findings to executive/finance leadership (CFO).
- **Authored enterprise-grade handover and governance documentation** for Finance, Internal Audit, IT, SAP consultants and Power Platform developers.

Responsibility

- **Build Power BI financial dashboards for both the Cambodia and Laos companies:** P&L, Balance Sheet, revenue and gross profit, project P&L, financial ratios, AR/AP aging and yearly financial trends, Regional financial Reporting.
- Collect, clean and analyze financial, operational and performance data; collaborate with business leaders to provide actionable insights and recommendations.

INSTITUTE OF FINANCE AND ACCOUNTING (IFA) — Phnom Penh Cambodia
LECTURER – EXCEL, POWER BI & DATA ANALYTICS — May 2023–Present

- Train **3,000+ students** (Bachelor, Master and short-course professionals) in Advanced Excel, Power BI, Power Query, DAX, Power Platform, Data Analytics, Financial Reporting and Automation.
- Design project-based courses connecting Finance & Accounting with BI: dashboards, KPIs, automation and data storytelling.

RMA CAMBODIA GROUP — Phnom Penh Cambodia
HUMAN RESOURCE ANALYST — March 2023–January 2025

- Maintained HR databases, reports and dashboards for AVR, BSP Finance, Comin Khmere/Lao/Vietnam, EFG and RMA Automotive.
- Built new reports with Excel Pivot and Power BI that **reduced processing time by 50%**; delivered dashboards for Profit & Loss, Accounts Receivable, GL, Sales & Marketing, Call Center, Attrition, Recruitment, C&B, CRM, L&D and HR Scorecard.

FLOURISHING DEV CO., LTD | ***Operational Team Lead*** — January 2022–January 2023
